

Speak Up for Agriculture!

March 18th

On the Capitol Steps

9:00 – 10:00 a.m.

**Speak with State Leaders
about the Importance of
Local Farms**

**Visit with producers during
AG DAY in the Hall of Flags
10:00 – 1:00 p.m.**

or Watch it Disappear!

Is this a plan to get rid of Connecticut farms?

STEP 1 – Eliminate sales tax exemptions on seeds, tools, feed, equipment, fuel, and all other inputs for farmers and growers.

STEP 2 – Take away Community Investment Act funds used for staff and programs that protect farms, expand farm businesses, assist farm-friendly towns, and support farmers' markets.

STEP 3 – Turn your back on struggling dairy farmers.

NO FARMERS ~ NO FOOD

KEEP AGRICULTURE IN CONNECTICUT

JOIN US! Help spread the word to all friends of agriculture, including farmers, growers, gardeners, farmers' market managers, chefs, agriculture land trusts, and consumers.

Sponsored by CT Farm Bureau, Working Lands Alliance, Very Alive, CT NOFA, CitySeed, Connecticut Farmland Trust and Canaan Valley Agricultural Coop
